Italy Flag

Color Italy in the map:

 **Language:** Italian

 **Landscape:** Italy has islands, beaches, plains, mountains, and even active volcanoes. Vesuvius, Etna, and Stromboli are three active volcanoes in Italy.

# ITALY FUN FACTS

Italians are known for their inventions and art. Italian artist, Leonardo da Vinci, painted the "Mona Lisa" It is the most expensive and famous painting today. We can also thank Italy for batteries, thermometers, glasses, telephones, pianos, and more!

The first opera ever was performed in Florence, Italy. An opera is similar to a play, but everything is sung instead of spoken.

Italy is a "boot shaped" peninsula. A peninsula is a piece of land that is almost completely surrounded by water.

Some of your favorite foods probably come from Italy. Pizza was invented in Naples, and most Italians eat pasta at least once a day.
