# TURKEY FUN FACTS

Turkey is a peninsula. It is surrounded by water on three sides thanks to the Black Sea.

Turkey is one of the most earthquake prone areas on Earth and has suffered from 13 earthquakes in the past 70 years.

Ebru, a special type of water art, began in Egypt in 1554. Ebru involves artists using special tools to spread dyes on top of water. The paper is dipped in the water and creates a beautiful one-of-a-kind painting.
